Job Overview

We are seeking qualified and dedicated Physicians across the United States who are Board Certified in Emergency Medicine, Internal Medicine or Family Medicine to join our Telehealth Team as independent contractors.

As a Telehealth Physician, you will play a crucial role in providing virtual healthcare services to patients across various states. Utilizing phone or video calls, you will conduct evaluations, consultations, annual wellness visits, new patient visits, E&M visits, and assess patients for chronic care management and remote patient monitoring.

Responsibilities

- Conduct synchronous (scheduled and on-demand) video and phone evaluations with patients seeking medical consultations
- Provide comprehensive consultations and medical advice
- Utilize excellent communication skills to establish meaningful interactions and rapport with patients during consultations
- Accurately document patient medical records
- Work with a patient-centric approach, ensuring the delivery of compassionate and efficient healthcare services
- Collaborate with trainers and leadership to undergo comprehensive remote training, equipping you with the necessary skills and knowledge to excel in the telehealth environment

Requirements

- Board certification in Emergency Medicine, Internal Medicine, or Family Medicine
- Hold a valid and active state medical license in good standing, with preference for multiple state licenses
- Medicare participating physician or willingness to become a Medicare participating physician
- Proficient in technology use, including electronic health record systems and telehealth platforms
- Demonstrated excellent communication skills, with a strong focus on the physician-patient interaction
- Prior Telehealth experience is preferred
- Availability for both phone and video consults to accommodate patient needs
